Celebrate the Season in Edisto

Edisto Beach wishes everyone a Merry Christmas and Happy Holidays this year. We hope you enjoy the lights and festive banners along Palmetto Boulevard with the new sea-creature lights added to the assortment. Please join the Mayor and Town Council for the annual Christmas tree-lighting ceremony at Bay Creek Park on

December 9th, which will be held just prior to the 5:30pm Holiday Movie. As well, please join us at our annual Christmas Parade on December 10th at 2:00pm.

Hurricane Nicole Beach Erosion

Edisto Beach suffered significant beach erosion as a result of Hurricane Nicole this November. Wave action topped the dunes bringing sand and water onto Palmetto Boulevard causing road closures and sand removal from the road. The 2022 Atlantic Hurricane Season officially ends on November 30th.

Vine Street Bike Path Upgrade

Edisto Beach was recently awarded a \$125,000 South Carolina Land and Water Conservation Fund grant to be applied towards improving the Vine Street Bike Path. The project includes repaving the almost one mile long bike path to its original condition. The Vine Street Bike Path runs from Edisto Street to Sunset Street. The Town received state and federal endorsements for this project from U.S. Representative Nancy Mace, Senator Tim Scott, and State Senator Chip Campson.

Welcome Ms. Maryann Blake

Town Council unanimously voted to hire Ms. Maryann Blake as the new Town Attorney during their November meeting. Ms. Blake joins the Town with over 16 years of law practice experience in Colleton County. In addition to Ms. Blake's private practice, she is a part-time prosecutor for the City of Walterboro and serves on the Colleton County Planning Commission. Ms. Blake studied law at Rutgers Law School and Nova Southeastern University and is a current PhD candidate in Sociology of Law at the University of South Carolina. Please join the Town in welcoming Ms. Maryann Blake.
