

**TIDE Committee
Minutes
April 5, 2017**

Present: Janet Oakley, Marie Bost, Charlie Boozer, Mickey Van Metre, and Peter Beck

Absent: Archie Livingston (excused), and Cameron Andrews

The minutes of the February 1, 2017 regular meeting, February 7, 2017 special called meeting, March 1, 2017 regular meeting, and March 22, 2017 special called meeting were approved as read.

Department Heads:

Mayor Darby reviewed the by-laws with the committee. She said she had been delinquent in doing this as she has been busy with post-storm duties. She reminded the committee that the committee was formed so as to represent the eyes and ears of the community. She stated the main emphasis of the committee is to get grants for the beautification of the community.

Mickey Van Metre moved to seriously think about future members being representative of different organizations from the community as was originally. Peter Beck seconded but the motion failed.

The topic of what grants are currently being sought will be put on the next agenda under Old Business.

Old Business:

Revision of beach rules signs – Marie moved to go with Option A – the revision that has the starfish the same color as the background in the logo. Peter Beck seconded and the motion was unanimously approved.

New Business:

Burley Lyons Park Way Find – Since Patrick Brown was out of the office today and could not speak on the wayfinding signs, Charlie Boozer moved to defer that topic to the May meeting under the heading of Old Business. Marie Bost seconded and the motion carried unanimously.

Town Hall Area Beautification – Janet said it was her opinion that this area is a perfect example for a sub-committee, and asked for discussion. Marie Bost suggested to ask Iris Hill if there is a master plan already in place for the town hall area and if so is there funding in the budget for said plan. Peter Beck would like for Iris to attend the May meeting and speak on this topic.

Meeting adjourned at 11:00 am.
