

**MINUTES  
TIDE COMMITTEE  
November 30, 2016**

Present: Janet Oakley, Peter Beck, Cameron Andrews, Archie Livingston, Charlie Boozer and Marie Bost

Absent: Mickey VanMetre (excused)

Minutes from the November 2, 2016, meeting were approved as read.

Department Head Comments:

Iris Hill said the Beach Nourishment and Groin Lengthening projects are scheduled to begin soon.

Old Business:

Reusable plastic bags: No update.

Crosswalks: Janet Oakley found some memorandum regarding manual and uniform highway standards to comply with that suggests the crosswalks could lead to driver distraction and may muddy the meaning of the sidewalk construction; hence, the crosswalk project was taken off the table.

New Business:

Janet Oakley suggested setting a time for a worksession for beach access discussion on which accesses to address, what needs to be done and when. Wednesday, December 28<sup>th</sup> from 9 am to 11 am was chosen and the meeting will be in council chambers.

Cameron Andrews moved to adopt a resolution to be presented to the Town of Edisto Beach. Marie Bost seconded and the motion was unanimously approved. Janet Oakley will compose the resolution which will be presented to the town at an upcoming Town Council meeting.

Round Table:

Archie Livingston noted that house numbers need to be addressed both in Wyndham and on the front beach.

Meeting adjourned at 10:35 am.
