ACCIMMODATIONS TAX APPLICATION
GUIDELINES

A. Introduction
1. As applicable to Edisto Beach, the State law specifies three groups in general which are entitled to receive bed tax funds after other mandated distributions have been made from the total funds available:
   a. **Town government** “Based on the estimated percentage of costs directly attributed to tourists,” Town expenditures for “the criminal justice system, law enforcement, fire protection, solid waste collection and health facilities when required to serve tourists and tourist facilities.” [6-4-10(b) and (b.4)].
   b. **Qualified groups advertising and promoting tourism in order to develop and increase tourism.** [6-4-10(b.1)].
   c. **Qualified sponsors of arts and cultural events and for construction, maintenance and operation of facilities for civic and cultural activities.** [6-4-10(b.2 and b.3)].
2. The law requires that the funds be spent “primarily in the geographical area” of Edisto Beach. Therefore, the Board will not look with favor on applications for funds to be spent outside the Town or for activities or enterprises conducted outside the Town.
3. Applications must be filed by the publicly announced filing deadline, except that the Board may, for extraordinary or emergency reasons which prevent timely filing, extend the filing deadline.
4. Request for funding must be submitted by a non-profit organization. Applications cannot be accepted from individuals, for-profit entities or ad hoc committees. Proof of non-profit status must accompany the application.

B. Guidelines
This list is for the Board to evaluate the applicant’s merit for receiving funding based on the criteria set forth by the Accommodations Tax Board and the State of South Carolina Tourism Expenditure Review Committee. This guideline is not to be used as a guarantee for an application to receive accommodations tax funding.

- Event or Festival takes place in the Town of Edisto Beach.
- Lodging on Edisto Beach is specified on application and promotion materials.
- Event or Festival has economic struggle in executing project without accommodations tax funding. The Board asks that an applicant consider returning all or a portion of their sponsorship funding if the event generates a profit.
- Event, Festival or advertising and promotions are during the off-season or shoulder dates of the tourist season.
- Event or Festival brings in a significant number of tourists (tourists are defined as those who travel at least 50 miles to attend) and not solely an event or festival for local residents.
- Enhances Town services attributed to tourism
- Application is received by its appropriate deadline and is completed fully and accurately.
- If returning applicant, a verifiable performance report is completed fully and accurately. Please include any promotional materials, advertisements, etc. with your performance report submission.

Presentations to the Accommodations Tax Advisory Board shall be no more than 5 minutes in length and should address the items listed above as well as the questions listed on the application.
