FREQUENTLY ASKED QUESTIONS

May I give my decal to a friend or family member?

No. Emergency Access Decals are nontransferable and may be used only on the vehicle identified on the application. The Town records the vehicle's license plate number for identification purposes. Unauthorized sale, transfer, or use of a decal may result in revocation of decal privileges.

What if my windshield is replaced, I get a new vehicle, or my license plate number changes?

Contact Town Hall to report the change and request a replacement decal or update to your vehicle information. Decals are assigned to the vehicle listed on the application and may not be transferred to another vehicle without Town approval. Replacement decals and changes are subject to verification by the Town.

What if I rent a property or own multiple properties?

Long-term renters may be issued temporary, event-specific passes if the need arises. Property owners may receive no more than two decals in total, regardless of how many properties they own.
