

## **Bay Creek Park Wednesday Market Vendor Selection & Admission**

The Bay Creek Park Market is a curated artisan and farmers market designed to provide a balanced mix of high-quality products for residents and visitors. Participation in the market is by invitation only and is based on market needs, product diversity, available space, and adherence to market guidelines.

### **Vendor Selection Process**

Obtaining a Town of Edisto Beach Business License and/or a Day Vendor License **does not guarantee acceptance into the Bay Creek Park Market.** Vendors may not set up or participate in the market unless they have been specifically approved and invited by the Market Manager.

The market maintains a waiting list, and openings are limited. Most approved vendors return from year to year and are not required to reapply annually, resulting in few available spaces.

### **Market Priorities**

Vendor selection is based on several factors, including but not limited to:

- Product type and how it complements the existing vendor mix
- Artisan or farmer-produced goods
- Product uniqueness and quality
- Home location and local connection
- Market demand and available space
- Consistent participation as a full-season vendor

The Bay Creek Park Market is intended primarily for artisans, craftsmen, growers, and producers. Resale items and products that do not fit the market's mission may not be considered.

### **How to Apply**

Individuals interested in being considered for the Bay Creek Park Market must submit an email to:

[Pmcelveen@townofedistobeach.com](mailto:Pmcelveen@townofedistobeach.com)

The email must have BCP Market Vendor Submission in the subject line and include:

- Contact name
- Business name (if applicable)
- Phone number and email address
- Business social media accounts (if applicable)
- Description of products to be sold
- Photos of products
- Photos showing the applicant creating, producing, growing, or making the products

Applications that do not include all required information may not be considered.

## **Waiting List**

Qualified applicants will be placed on the waiting list. When an opening becomes available, vendors may be contacted if their product category matches the current needs of the market.

Please do not purchase a Business License or Day Vendor License with the expectation of participating in the market unless you have been contacted by the Market Manager and specifically invited to join.

Submission of an application does not guarantee acceptance into the market, nor does placement on the waiting list guarantee future participation.

The Town of Edisto Beach reserves the right to determine vendor eligibility and make final decisions regarding market participation to maintain the quality, balance, and integrity of the Bay Creek Park Market.
