

Question Received 7/8/2026

Before preparing our bid package, I wanted to confirm whether a Bid Bond and/or Performance and Payment Bonds will be required as part of the bid submission or contract award requirements.

If you could please clarify the bonding requirements for this project, I would greatly appreciate it. This information will help ensure our bid package is complete and compliant with the project specifications.

Answer:

Any bonds that are possible would be required at contractual signing.

Bonds are not required for bid submittal.
