1. RFP Page 9, Bid Specifications, Scope of Work, Amend ... from October 1st through February 28th... to ... **from October 1st through April 30th...**
2. RFP Page 10, Removal and Disposal, Add: Debris meeting the following requirements may be placed on the curb for pickup.
 - a. Yard trash shall be placed in neat piles at curbside: Leaves, pine straw, pampas and grass clippings, small shrubbery clippings, etc., must be placed in yard waste bags or other containers. Such loose material placed at the curb, not in a yard waste bag or other container, will not be collected. Brush, limbs, and shrubbery trimmings that are not containerized must be neatly stacked and bundled together in a consistent manner. Each bundle shall not exceed what would be considered routine (non-commercial), bi-weekly yard maintenance.
