

Addendum # 1

Questions

1. When do you all expect this project to begin? **I expect the successful bid to be approved by Town Council on May 8th, 2025 and for a contract to be signed quickly thereafter.**
2. How many days will there be to complete the project? **Within 60 days per item 7 of the Sample Agreement included in the RFP.**
3. Does the Town have a deadline they are wanting this work to be completed by? Is their goal to have this work completed before the start of summer? **See above responses.**
 - a. If not, would they be opposed to waiting until the end of summer to begin?
4. Are there any requirements on the number of days the work must be completed in? **See above responses.**
5. We are interested in pricing out the bike path on Edisto that is listing under SCBO website. I wanted to see if you had any specific project document for this project as there were none listed online. **Project documents are listed as an appendix to the bid document which is posted on our website.**
6. I am also curious if you know what type of asphalt is being specified? Is it surface grade or other? **Please see notes in the project document.**
