

Addendum #2 – Questions

- In the solicitation it says to refer to the attached construction drawings but there are none attached. Can you please send those to me? **The drawing are posted on the web site bid listing as an Addendum. Or follow the link:**

- Also, it does not state anything about demolition of the stairs. Has this already taken place or is it supposed to be included in the bid? **Demolition of the current stairs has not taken place and should be included in the current bid.**
