

ADDENDUM #2

RFQ 2019-07 Edisto Beach Professional Engineering Storm Water Management Services on an “As Needed” Basis

1. The Proposal Evaluation Criteria (pg 11) includes up to 20 points for “Project Approach”. Please clarify what is intended. Approach is not mentioned elsewhere in the proposal.

Answer: Under Firm Qualifications include how the Firm plans to approach resolving some of the issues included.

2. The Scope of Services (pg 9) includes mention of two projects (Billow Street/Arc Street drainage system, and Yacht Club Road Drainage) which appear to have already been awarded under other RFPs earlier in the summer. Are these removed from the potential Scope?

Answer: The Town has not awarded this work to any other firm. The Town planned to complete Yacht Club Road Drainage in-house and is still considering doing so.
