

## Addendum 4 - Questions

11/17/25

1. To clarify, the automobile insurance policy, does it need to be a commercial automobile insurance? **Yes.**
2. Are we looking for an actual “design” to be submitted? **Provide a visual concept of the planting area and signage package. Final details to be included in a contract award.**
3. Are there any additional surveys as per the discussion during the onsite meeting. **We do not intend to order any additional surveys at this time. Please refer to Colleton County GIS for approximate dimensions of the park.**
4. Do we need to submit insurance and licensing as part of the proposal. **Yes, however if you do not have the appropriate insurance and license at the time of submittal, you can note your intention and ability to obtain the necessary insurance and licensing prior to a contract award.**
