

**RFP No. 2020-03 Professional Tank Maintenance Program for Water Storage Tanks  
Addendum No. 4**

1. Can you provide me with the High Water Line (HWL) level for both of these tanks.  
**Elevated Storage Tank High Level Overflow ELEV 163.18 M.S.L. 151.0' from foundation elevation of 12.18 M.S.L.**  
**Ground Storage Tank High Water Level ELEV 44.00 M.S.L. 32.5' from foundation elevation of 11.50 M.S.L.**
  
2. Were these (2) tanks under a previous Tank Maintenance Program with another Provider? **Yes**  
If so, WHO was the Provider and WHEN did you cancel the program with that provider? **Utility Service Co., Inc.**
  
3. In your RFP you said that Town Hall tank was renovated in 2018 and the State Park Tank was renovated in 2017. What company did these Renovations? **Utility Service Co., Inc.**
  
4. Section 3.0(1)(d) states that Service Providers must provide a disclaimer of no current pending litigation. Should we provide a list including explanation of any pending litigation, or does this preclude us from responding to this RFP? **List pending litigation with explanations.**
