

RFQ 2019-10  
Addendum 2

We are excited to have so many firms interested in this project. As a reminder, there is a mandatory site visit on December 16, 2019 at 2:00 p.m.

As background, the Town plans to submit to Colleton County a proposal for a new Town Hall complex. We will not have to have a complete set of plans, but would need to have enough information to estimate a cost in which to request. The Town budgeted \$50,000 to get us to that point.
