Old Business

A. Second Reading of Ordinance No. 2018-28 to Amend Sections 82-32(c)(1) related to Provisions of Temporary Use of the Town Water System to Contractors and to Amend the Fees – Mayor Pro Tem Moore moved to approve the second

reading of Ordinance No. 2018-28 to Amend Section 82-32(c)(1) related to Provisions of Temporary Use of the Town Water System to Contractors and to Amend the Fees. This increases the temporary use fee from \$50.00 to \$75.00 and 1,000 gallons from \$2.00 to \$5.00. These rates have not been adjusted since 1990 and adjustments are needed to account for the new rates associated with the water improvements. Councilwoman Hornsby seconded the motion which was approved 4 – 0.

B. These changes are related to banners and flags. Mayor Pro Tem Moore seconded the motion which was approved 4 – 0.

New Business

Award of RFP 2018-15 Edisto Beach Pump House Rehab 81 Gun Bluff – Mayor Pro Tem Moore moved to award RFP 2018-15 for the Edisto Beach Pump House Rehab, 81 Gun Bluff to HNI/The Interchange for a cost not to exceed \$6,810 to be paid from Sewer R&R. C. Resolution No. 2019-R01 Jury Box Resolution – Councilwoman Smyer moved to approve Resolution No. 2019-R01, which reads in part “...the 2019 Jury Box has been prepared pursuant to the requirement of Act #480 of 1980 and is now ready for use.” Councilwoman Hornsby seconded the motion which was approved 4 – 0.

Agreement between Colleton County Sheriff’s Office and the Town of Edisto Beach Police Department to Provide the Town of Edisto Beach with Victim’s Assistance – Councilwoman Hornsby moved to approve the agreement between the Colleton County Sheriff’s office and the Town of Edisto Beach Police Department to Provide the Town of Edisto Beach with Victim’s Assistance. The motion was seconded by Mayor Pro Tem Moore and approved 4 – 0.

E. TIDE Committee Recommendations – At the December 5, 2018 meeting, the TIDE Committee moved to recommend Town Council proceed with the following: 1) putting up rope and post fencing at McConkey Square to prevent driving into or falling into the ditch and 2) that benches at beach accesses be placed as far back as possible without causing damage to the dune, keeping a view of the ocean (if possible) but placed for longevity, with the final determination of placement being left up to the Public Works Supervisor. There are not enough available funds in local accommodations to fund any new requests. Councilwoman Hornsby moved to handle these recommendations in house as much as possible since the funds are not available. Mayor Pro Tem Moore seconded the motion which was approved 4 – 0.

F. Beach Renourishment – Hurricane Irma – According to the beach survey performed after the storm, the Town lost 49,015 cubic yards of sand. CSE has recommended we scrape

sand from the south end of the beach and move it across the beach to the north end stating the storm has accelerated the erosion from the north to the to the south which will shorten the length of time needed between renourishments. If FEMA is funding 75% and the state covers the local match, the Town would be reimbursed for the entire project. The project is estimated to cost \$1,223,779. Mayor Pro Tem Moore moved to go forward with the permitting and application process. Councilwoman Hornsby seconded the motion. Councilwoman Smyer pointed out this motion was not approving the entire project, just the permit and application phase. The project approval would be contingent on funding and further information on where the sand would be taken from/moved to. Mayor Darby called for the vote and the motion was approved 4 – 0.

G. Recurring Special Event Application, Edisto Chamber of Commerce, 8th Annual Road Race – Councilwoman Smyer moved to approve the Recurring Special Event Application submitted by the Edisto Chamber of Commerce to hold the 8th annual Edisto Road Race on March 16, 2019 beginning at 8:00 a.m. The route of the race is to be determined due to drainage work taking place on Myrtle Street. Mayor Pro Tem Moore seconded the motion, which was approved 4 – 0.

H. Water and Sewer Recommendations –

1. Well Site Tract M – Wharton and Smith has recommended pursuing an alternative to the current plan by abandoning the transmission line that connects wells 1, 6 and 2, and installing a new well on Tract M. This would eliminate a portion of the costs to install a new transmission line and the potential of maintenance costs by eliminating older infrastructure. The Water and Sewer Committee recommend this change.

2. Project Management – Ellison Consulting – The Water and Sewer Committee recommends that Ellison Consulting assume project management responsibilities. Mr. Ellison has submitted a proposal at a cost not to exceed \$45,000 to be funded by Water R&R or contingency funds from the construction fund. The Water R&R balance is \$404,036. Mayor Pro Tem Moore moved to approve both recommendations from the Water and Sewer Committee, seconded by Councilwoman Hornsby. Councilwoman Smyer pointed out that, “the Town had the consultant, Mr. Ellison, look at what was being proposed by Wharton and Smith and after a specific study was done on the feasibility of it, he had determined that is a better plan, and so it’s based on this information that we are making this recommendation.” Mayor Darby called for the vote and the motion was approved 4 – 0.

I. Edisto Art Guild Request - Mayor Pro Tem Moore moved to defer the Art Guild Request to the February meeting to give the Town time to review the request. Councilwoman Hornsby seconded the motion, which was approved 4 – 0.

J. February Council Worksession Change – Councilwoman Hornsby moved to change the date of the February Worksession from Tuesday, February 12 to Monday, February 11, 2019 due to a conflict with the Beach Advocates meeting. Councilwoman Smyer seconded the motion, which was approved 4 – 0.

K. Personnel Manual – Modifications to Annual and Sick Leave Policies – Councilwoman Smyer moved to defer the changes to the personnel manual to give Council more time to look over the proposed changes. Mayor Pro Tem Moore seconded the motion, which was approved 4 – 0.
