Re: Grant #R-22-1305 – Pump Stations A and B – NOTICE TO PROCEED

Dear Ms. Hill:

The South Carolina Rural Infrastructure Authority (RIA) has received the signed grant award and other required documentation for the above-referenced project. RIA has reviewed the documentation submitted and found it to be acceptable. The Town of Edisto Beach may proceed with plans for implementation of the project as outlined in the approved application.

The Town must submit the proposed bid package to RIA for review *prior* to advertising the project, as noted in the Grant Award. Please refer to the RIA Grant Project Management Procedures which can be found on our website at www.ria.sc.gov for additional project requirements.

If you have any questions, please do not hesitate to contact me at (803) 737-0392 or jcmack@ria.sc.gov.

Sincerely,

Jackie Calvi Mack
Senior Program Manager
